

Objectives

- To engage in opportunities that will enhance the skill and knowledge of Lands Managers.
- To provide the tools and resources for Lands Managers to efficiently and effectively manage their lands.
- To enhance First Nations independence and interdependence.
- To develop and maintain effective communication and networking links.
- Operating as a non-political technical body.
- Assisting AANDC with input into land management policies.
- Offering tools and systems to manage lands.
- Recruiting members from First Nations in British Columbia.
- Introducing professional expertise to the field of lands management.
